Times are from the start of the exported (trimmed) video.

Time	End	Role	Comment
00:00:00.500	00:00:05.500	**Notes**	Light cue 12 comes too early
00:00:01.500	00:00:06.500	**Sound**	The music fade should be slower – try 5 seconds instead of 3, and keep the vocal on top
00:00:02.000	00:00:07.000	**Lighting**	Placed by hand, top right
00:00:02.500	00:00:07.500	**Stage manager**	Not on video
